FOREWORD

Prevention of violence and incivility

Sporting events are, above all, a place for exchanges and sharing open and accessible to everybody.

As such, competitors and accompanying persons are asked to behave, in all circumstances, whether on shore or at sea, courteously and respectfully, regardless of origin, gender or sexual orientation of other competitors.

The notation [NP] in a rule means that a boat cannot protest (No Protest) against another boat when infringing this rule. This changes RRS RCV 60.1(a).

The notation [DP] in a rule means that the penalty for a breach of that rule may, at the discretion of the protest committee, be less than disqualification.

1 ORGANIZATION

The Organizing Authority (OA) is the **Winches Club**. The Marie-Agnès Péron Trophy is organized **from Monday 27th May to Saturday 1st June 2024** in collaboration with Classe Mini, with the support of the Douarnenez Council and the Finistère Regional Council and under the FFVoile's aegis.

For the application of the rules of part "B" section 2 of the RIPAM (helm and course rules), the minimum distance between two vessels must be five boat lengths.

6.2 Terms of registration

Entries received no later than **midnight on February 16th 2024**, are registered in the order established by the preference order system set up by the Mini Class.

For registration to be taken into account, it is imperative that:

- The sections mentioned as “obligatory” of the registration form are filled in,

Depending on the withdrawals, we will contact skippers benefiting from an opening to the short-list or the main list so that they complete the balance of their registration.

From the notification of their passage to the main list or the short-list (date of the email from the AO), competitors have **7 days to finalize their registration** by paying the balance via the link received (or contact the AO if impossibility).

Skippers on the short-list who have not responded within this 7-day period will remain on the waiting list.

The waiting list will be regularly updated on the Mini class website until the final registration deadline.

6.3 Withdrawals

If a competitor cancels his/her entry to a race less than one month before the start of the race for reasons other than absolutely necessary, he/she will lose 100% of the entry fees ([Article R- 14](#) of the 2024 Guide Mini).

Reimbursement requests for force majeure must be sent with supporting documents to courses@winchesclub.org. These requests will be examined by a Winches Club internal committee the day after the start of the race.

In any case, each boat registered will have to declare her arrival at the marina office as soon as possible once she has arrived (DP).

Boats must remain in the place they have been allocated when they are in the marina (DP).
