The line will be oriented North-South. The Committee boat will be moored south of this line.

APPENDIX WP

WAYPOINT RULES

When specified in the Notice of Race, races will be governed by the Racing Rules of Sailing as changed by this appendix.

WP1 Amendment to Definitions:

WP1.1 The definition of Mark is changed as follows:

Mark: An object or waypoint which a boat is required to leave on a side specified as required by the Sailing Instructions, a race committee boat surrounded by navigable water from which the starting or finishing line extends, and an object intentionally attached to the object or boat. However, a mooring line is not part of the mark.

WP1.2 Addition of a new definition: Waypoint :

Waypoint: A geographical position on the surface of the water, defined by its WGS84 latitude and longitude coordinates expressed in DDM (decimal degrees minutes).

WP1.3 The definition of zone is changed as follows:

Zone: The space around a mark for a distance of three hull lengths from the boat closest to it. The area of the zone at a mark that is a waypoint may be changed in the Notice of Race or Sailing Instructions. A boat is in the zone when any part of its hull is in the zone.
